MEMORANDUM

DATE: February 16, 2010

TO: Commissioner's Court

FROM: Kelley Stone
Director of Homeland Security

REF: FY10 Public Health Emergency Preparedness Response Amendment
(PHER)
Agenda #

I am requesting Commissioners' Court approval and signatures for overtime reimbursement as approved by the Department of State Health Services. These costs were allowable expenditure in the Public Health Emergency Preparedness response grant through an amendment process.

Collin County Homeland Security is committed to vaccinating the public against the Novel A H1N1 strain. By approving these overtime costs, Collin County Healthcare Services, Homeland Security personnel, and PHER funded employees were able to assist in vaccinating an additional 1,000 citizens in the community.

There is no cost to Collin County. If you have any questions do not hesitate to contact me.
